My Portfolio

ABOUT ME

A Bachelor of Science in Information Systems graduate from Binaniaga Indonesia University with a strong interest in data processing and business analysis. Experienced in applying the K-means (clustering) and Simple Additive Weighting (SAW) methods in the development of decision support systems. Proficient in SQL, system modeling using UML, and data visualization to support data-driven decision-making.

EDUCATION

Binaniaga University of Indonesia

- Bachelor of Information Systems.

2018 - 2024

Taruna Andigha Vocational High School

- Accounting.

2015 - 2018

WORK EXPERIENCE & PROJECTS

Web Developer Internship | 2023

- Developing user interfaces (frontend) using React.js and Bootstrap, which improves website responsiveness by up to 90%, thereby optimizing the user experience.

Freelance Multimedia | 2018

- Developing user interfaces (frontend) using React.js and Bootstrap, which improves website responsiveness by up to 90%, thereby optimizing the user experience.

Becoming an IT Support Specialist | 2025-2026

- Manage IT infrastructure, perform system maintenance, and handle regular hardware and software troubleshooting to ensure optimal performance across 50 devices.

Major Projects:

- Developed an athlete evaluation system using the K-means and Simple Additive Weighting (SAW) methods to classify athletes based on performance, and created comprehensive technical documentation including the SDLC and UML diagrams, which successfully improved data analysis efficiency by [number]%.
• Developed a web-based transaction management system using PHP and MySQL, equipped with an automated financial reporting feature that increased reporting efficiency by 100%.

TECHNICAL SKILLS

- Programming Languages:** PHP, Python, JavaScript, SQL, HTML, CSS
- Frameworks & Libraries:** React.js, Node.js, Bootstrap, CodeIgniter 3, Laravel, Flutter.
- Tools & Database:** MySQL, Visual Studio Code, Git, Google Ads, Powe BI, Google Sheets & Microsoft Excel (Pivot Tables, VLOOKUP/HOOKUP, Query Function, Data visualization).
- Analisis & Desain :** UML (Activity, Sequence, Component Diagram), UI/UX design, Data Mining.

ORGANIZATION

- Nature Lovers Club
(President)
- Youth Organization
(Documentation)

CERTIFICATE

- Certification of Course Completion
Cisco Networking

LANGUAGE

- Indonesian (Professional)
- English (Intermediate)
